

Make a Pillowland Pillowcase!

What You'll Need

- Plain, white pillowcase
- Cardboard
- Fabric Markers

If you don't have a pillowcase, you can draw the map on paper too!

What To Do

1. Place the cardboard inside the pillowcase, to make it easier to draw on!
2. Beginning with the star, trace the Pillowland map onto your pillowcase
3. Color in the star, castle and boat
4. Write Pillowland in the corner
5. Let dry
6. Place on your favorite pillow!
